**CONSTITUTION (AMENDMENT) ACT 1995**

**EXPLANATORY MEMORANDUM**

The main purpose of this Constitutional amendment Act is twofold:-

- (a) To implement the Government's policy to create two extra Ministries in addition to the existing ones; and
- (b) To enable a change of title from "Director of Audit" to "Auditor General".

1. In order to achieve (a) it is necessary to amend section 40 of the Constitution and therefore Section 2 of the Act seeks to amend the said section of the Constitution so as to make provision for the establishment of two extra Ministries because as it stands now only 10 Ministries are recognized, one of them being under the control of the Beretitenti and the other under the Kauoman-ni-Beretitenti.

2. Section 3 of the Act seeks to repeal the word 'Director of Audit' and to substitute for it the words 'Auditor General' wherever they occur in the aforementioned sections of the Constitution. This achieves (b). It is desirable to do so, since the title 'Director of Audit' is a reminiscence of the colonial era that is no longer being used by the Commonwealth Countries of today. The phrase 'Auditor General' is being used in its place and is more appropriate in the International Community, Director of Audit being a person who is usually ranked below the Auditor General.
