SPECIAL FUND (GOVERNMENT SUPPLIES)  
(AMENDMENT) ACT 1986

EXPLANATORY MEMORANDUM

The object of this Act is to amend the Special Fund (Government Supplies) Act 1985 so as to formally make available all monies and other assets or properties presently held by the Government Supply Division of the Ministry of Finance to the Government Supply Fund established by section 3 of that Act.

Section 5 of the Special Fund (Government Supplies) Act 1985 provides among other things that the amount of any expenditure by the Republic on the procurement, provision and maintenance of Government supplies shall be paid out of the said Fund.

It is therefore necessary that all monies and other assets and properties presently in the hands of the Government Supply Division (which is responsible for the procurement, provision and maintenance of Government supplies) should be made available to the said Fund in order to regularise and otherwise harmonise the accounting procedures of the Government Supply Division with the provisions of the Special Fund (Government Supplies) Act 1985.

The Attorney General

LEGAL REPORT

I hereby certify that in my opinion none of the provisions of the above Act conflict with the Constitution and that the Beretitenti may properly assent to the Act.
