G.N.No. 252/2022

TRADEMARKS ACT 2019

[Section 10: Regulation 6]

NOTICE OF APPLICATION FOR REGISTRATION OF TRADEMARK

The Registrar of Trademarks has received an application for registration of trademark as follows:

- a) **Applicant's full name:** Digicel (Nauru) Corporation
- b) **Nationality:** Nauru
- c) **Address of the applicant:** P.O Box 28, Ground Floor, Civic Centre, Aiwo District, Nauru.
- (d) **Date application lodged:** 15th February 2022
- (e) **Time application received:** 15:08pm
- (f) **Reference number for application:** 40/2022
- (g) **Representation, drawing or design of mark:**

A stylized representation of a letter "D" on its side with two fading bands along the top of the "D" and along the rounded edge of the "D", and two dots above the "D".

Representation of the trademark is in black and white.

- (h) **Good or services for which the trademark is associated with:**

Class 9:

Downloadable software in the nature of a mobile application which provides access to a telecommunications service provider portal for account management, bill payment and top up services; download in the nature of a mobile application for obtaining news, information, commentary, and textual, audio, and visual content of the type found in general interest publications; telecommunications, telephonic and communications apparatus and

and instruments; data communication apparatus and instruments; apparatus and instruments for the processing, transmission, storage, logging, reception and retrieval of data being in the form of encoded data, text, audio, graphic images or video or a combination of these formats; modems; radio apparatus and instruments including radio pagers and radio facsimile apparatus and instruments: machine readable encoded cards including prepaid telephone calling cards and credit cards; smart cards: media for storing information, data, images and sound; machine readable media; digital music (downloadable) provided from a computer database or the internet, including MP3 internet websites; personal digital assistants; satellite receiving and transmission apparatus and instruments; apparatus for listening to music downloaded from the internet; battery chargers for use with telecommunications apparatus; batteries; adapters for use with telecommunications apparatus; radio telephones, mobile and fixed telephones; films, video, audio and graphic images downloadable from the internet; television apparatus and instruments; peripheral equipment for televisions and computers; electrical and electronic game apparatus included in class 9; computers including laptop and notebook computers; electronic personal organizers; electronic navigational and positional apparatus and instruments including global positioning systems; satellite navigational and positional apparatus and instruments; desk or car mounted units incorporating a loud speaker which permits hands-free use of a telephone handset; in-car telephone handset cradles; parts and fittings included in class 9 for all the aforementioned goods; computer software; downloadable ringtones and graphics for mobile phones; CD ROMS; electronic publications (downloadable) provided on-line from a computer database, the internet or other electronic network.

Class 35:

Advertising and publicity services namely, the provision of space on a website for advertising and promoting the goods, services, commercial information and news of third parties; classified advertising services.

Class 36:

Financial services; money transfer services via a mobile device; insurance services; micro insurance services.

Class 38:

Telecommunication, mobile and fixed telecommunication and telephone, satellite telecommunication, cellular telecommunication, radio and cellular telephone, radio facsimile, radio paging and radio communication services; transmission and receiving by radio; hire, leasing and rental of telecommunications, radio, radio telephone and radio facsimile apparatus; communication of electronic data by radio, telecommunications and by satellite; automatic telephone answering services; personal numbering services namely virtual telephone numbers remotely commanded by short message services (SMS), interactive voice recorder (IVR), or via the web and internet; loan of replacement telecommunications apparatus in the case of breakdown, loss or theft; provision of internet services, namely internet access services; telecommunication of information (including web pages), computer programs and any other electronic data; electronic mail services; provision of customized display screens on telecommunications apparatus; provision of directory services; provision of location based services for telecommunications apparatus; provision of wireless application protocol services including those utilizing a secure communications channel; provision of information relating to or identifying telephone and telecommunications apparatus and instruments; provision of telephone directory services; electronic data interchange services; transfer of data by telecommunications; broadcast or transmission of radio or television programs; video teletext and view data services, messaging services, namely, sending, receiving and forwarding messages in the form of text, audio, graphic images or video or a combination of these formats; unified messaging services; voicemail services; providing electronic data network services; video conferencing services; video telephone services; providing telecommunications connections to the internet or databases; providing access to digital music websites on the internet; providing access to MP3 websites on the internet; delivery of digital music by telecommunications; operation of search engines; computer aided transmission of messages, electronic data and

G.N.No. 252/2022 (Cont'd)

images; computer communication services; news agency services; transmission of news and current affairs information; providing chat-line services; provision and operation of electronic conferencing, discussion groups and chat rooms; provision of on-line access to exhibitions and exhibition services; provision of information relating to the aforementioned services.

Class 41:

Entertainment services; providing a website featuring news and information in the field of current events, relating to politics, entertainment, culture, sports, education, business, weather, community events calendar, food, fashion, technology, travel, real estate, healthy living and lifestyle, books and performing arts; providing on-line computer, electronic, video and board games; providing on-line electronic publications; publication of electronic books and journals on-line; providing chat-line services; sporting and cultural activities; exhibition services; provision of on-line access to exhibitions and exhibition services; news programming services for transmission across the internet; ticket reservation and booking services for entertainment, sporting and cultural events; electronic library services for the supply of electronic information (including archive information) in the form of text, audio and/or video information; provision and operation of electronic conferencing, discussion groups and chat rooms; providing digital music (not downloadable) from the internet; providing digital music (not downloadable from MP3 internet websites); provision of information relating to all the aforementioned services in this class.

A person may lodge a notice of opposition to the Registrar within 21 days of gazettal of this Notice.

TRADEMARKS ACT 2019

[Section 10; Regulation 6]

NOTICE OF APPLICATION FOR REGISTRATION OF TRADEMARK

The Registrar of Trademarks has received an application for registration of trademark as follows:

- (a) **Applicant's full name:** Digicel (Nauru) Corporation
- (b) **Nationality:** Nauru
- (c) **Address of the applicant:** P.O. Box 28, Ground Floor, Civic Centre, Aiwo District, Nauru
- (d) **Date application lodged:** 15th February 2022
- (e) **Time application received:** 15:53pm
- (f) **Reference number for the application:** 46/2022
- (g) **Representation, drawing or design of mark:**

The mark consists of the word “Digicel” “Better” and “Together” in stylized font centered beneath a stylized representation of a letter “D” on its side with two dots above the “D”.

Representation of the trademark is in black and white.

- (h) **Goods or services for which the trademark is associated with:**

Class 9: Downloadable applications for handheld computers, mobile phones and tablet computers for use in streaming television shows, , movies, and music; audio and video recordings; pre-recorded compact discs and CD-ROMS featuring information in the fields of music, video, films, games and sports; apparatus, instruments and media for recording and reproducing sound, images text and data over telecommunications networks; computer application software for streaming audio-visual media content via the internet; computer software for encryption; computer software for social networking and file sharing; storing and processing music; computer software for account management and bill payment including online phone top up services; modems; radio apparatus and instruments including radio pagers, electronic newspapers and newsletters; downloadable multimedia news podcasts and webcasts and web blogs; apparatus for the transmission of data; computer software for analysing and processing market information; machine readable encoded cards including pre-paid telephone calling cards and credit cards; smart cards; media for storing information, data, images and sound; digital music downloadable provided from a computer database or the internet including mp3 internet websites; personal digital assistants; satellite receiving and transmission apparatus and instruments; music amplifiers and head phones for listening to music downloaded from the internet; battery chargers; batteries; adapters for use with telecommunications apparatus; radio telephones; mobile and fixed location telephones; downloadable films, video, audio, graphics and images; television apparatus and instruments; computer peripheral equipment; electric and electronic game apparatus; computers including laptop and notebook

notebook computers; electronic personal organisers; electronic navigational apparatus and instruments; electronic global position system apparatus; satellite navigational apparatus; desk or car mounted units incorporating a loudspeaker which permits hand-free use of a telephone handset; in-car telephone handset cradles; computer software; downloadable ringtones and graphics for mobile phones; electronic publications (downloadable) provided online from a computer database, the internet or other electronic networks; computer software for connecting global communications networks; computer software for accessing, browsing and searching online databases; software development tools; computer software for wireless content delivery; computer software for use in managing and controlling the purchase of materials; video game software; computer game software; downloadable computer games; interactive computer games; interactive video game programs; computer game cartridges and compact discs; downloadable computer game software via global computer network and wireless devices; electronic game programs; electronic game software for handheld electronic devices; virtual reality game software and headsets for virtual reality games; downloadable graphics and emoji's for computers, tablet computers and mobile phones; downloadable ringtones and sound recordings including musical sound recordings; CDs and DVDs; CDs containing audio recordings of dramatic performances; fiction and non-fiction electronic books recorded on computer media; CD-ROMs containing computer games; downloadable motion pictures and television shows; downloadable motion pictures and television shows; digital media streaming devices.

Class 35: Advertising and publicity services in relation to music and entertainment namely, the provision of space on a website for advertising and promoting of music and entertainment activities; arranging and conducting trade shows; advertising and management of music related goods and services; commercial directory services.

Class 36: Financial services namely, mobile online financial services that allow users to transfer, send and receive funds, and make bill payments via a hand held mobile device; online bill payment services; walk-in bill payment services; micro insurance services; issuing prepaid telecommunications calling cards; electronic funds transfer by telecommunications; online balance recharge services for mobile telephones.

Class 38: Telecommunication, mobile and fixed telecommunication and telephone, satellite telecommunication, cellular telecommunication, radio and cellular telephone, radio facsimile, radio paging and radio communication services; transmission and receiving by radio; hire, leasing and rental of telecommunications, radio, radio telephone and radio facsimile apparatus; communication of electronic data by radio, telecommunications and by satellite; automatic telephone answering services; telecommunication services, namely, providing advanced calling features, namely providing the ability to record voice memos after a telephone call by leaving messages that will be recorded separately and saved online as a file which can then be emailed, shared or kept private based on user setting; loan of replacement telecommunications apparatus in the case of breakdown, loss or theft; provision of internet services, namely internet access services; telecommunication of information (including web pages), computer programs and any other electronic data; electronic mail services; providing telecommunication connectivity services for transfer of images, messages, audio, visual, audio-visual and multimedia works; provision of wireless application protocol services including those utilizing a secure communications channel; telecommunication services, namely, providing electronic message alerts via the internet notifying individuals of a changed status or condition of a sensing device in a security system; provision of telephone directory services; electronic data interchange services; transfer of data by telecommunications; broadcast or transmission of radio or television programs; sending, receiving and forwarding messages in the form of text, audio, graphic images or video or a combination of these formats; unified messaging services; voicemail services; providing electronic data network services; video conferencing services; video telephone services; providing telecommunications connections to the internet or databases; providing access to digital music websites on the internet;

G.N.No. 258/2022 (Cont'd)

providing access to mp3 websites on the internet; delivery of digital music by telecommunications; operation of search engines; computer aided transmission of messages, electronic data and images; computer communication services; news agency services; transmission of news and current affairs information; providing chat-line services; provision and operation of electronic conferencing, discussion groups and chat rooms; provision of on-line access to exhibitions and exhibition services; provision of information relating to the aforementioned services.

Class 41: Educational and training services in the field of music and entertainment; providing news and information in the field of music and entertainment, events relating to music and entertainment, culture, sports, education, weather, community events calendar relating to music and entertainment, food, fashion, technology relating to music and entertainment, travel, real estate, healthy living and lifestyle via a website; providing online electronic publication, not downloadable, in the field of music and entertainment; publication of electronic books, journals and lyrics to songs online; computer based training services in the field of music and entertainment; music publishing and other entertainment services; providing (non-downloadable) digital music from MP3 websites on the internet; providing non-downloadable digital music from the internet; arranging and conducting conferences, workshops, seminars, trade shows and exhibitions in the field of music and entertainment; providing access to on-line electronic publications; publication of electronic books and journals on-line; exhibition services relating to music and entertainment; provision of on-line access to exhibitions and exhibition services in the field of music and entertainment; news programming services for transmission across the internet; ticket reservation and booking services for entertainment, sporting and cultural events; electronic library services for the supply of electronic information (including archive information) in the form of text, audio and/or video information; provision of information relating to all the aforementioned services in this class.

Class 42: Providing temporary use of non-downloadable software for electronic storage and transfer of data, documents, files, information, images, text, photos, graphics, music, audio, and multimedia content; storage of electronic media, namely, data, documents, files, information, images, text, photos, graphics, music, audio, and multimedia content, Internet access provider services featuring software for use in connection with online music subscription service; software that enables users to play and program music and entertainment-related audio, video, text and multimedia content; providing temporary use of online non- downloadable software to enable users to program audio, video, radio, television and entertainment related programs; providing search engines for obtaining data on a global computer network; scientific and technological services; digital imaging services [digitalisation and scanning of images] research services in the field of music information technology services, computer analysis; computer systems design; monitoring of computer systems by remote access; computer programming; computer software design; creating and maintaining web sites for others; installation of computer software.

A person may lodge a notice of opposition to the Registrar within 21 days of gazettal of this Notice.
