*Petroleum (Prospecting and Mining) Act 1951 as amended to date*

NOTIFICATION OF APPLICATION FOR PERMIT

IT is hereby notified that an application for a permit under the *Petroleum (Prospecting and Mining) Act 1951 as amended to date*, was on the 24th day of May, 1977 made to the Minister for Natural Resources, particulars whereof are as follows:

Applicant: Australasian Petroleum Company Proprietary Limited

Address: c/- Peat Marwick, Mitchell & Co., Bank Haus, Champion Parade, Port Moresby, P.N.G.

Particulars: Particulars of the nature and extent of right, title and interest held by the applicant or held on its behalf are as follows: (a) Australasian Petroleum Company Proprietary Limited directly holds Permit 37, Licence 1 issued pursuant to the *Petroleum (Prospecting and Mining) Act 1951-1973* which permit and licence are subject to a joint venture with PNG Petroleum Pty Ltd which has a 15% interest.

The applicant formerly held part of the area applied for as Permit 24 in its own name. During the tenure of that permit, it carried out a number of geological and geophysical surveys. An application was lodged for renewal of that permit and a document purporting to extend that permit for four months was issued. Subsequently, it has been discovered that a certain statutory requirement of procedure has not been adhered to, thereby invalidating the renewal and bringing about the expiry of Permit 24. Consequently, the applicant is applying for a new permit over the area.

As a result of past work programmes in Permit 24, Australasian Petroleum Company Proprietary Limited has established that the play in this area is a high risk one, and consequently a farminee is actively being sought. It is to enable the farmout negotiations with Gulf Energy and Mineral—International to be finalised and to enable, after successful finalisation, negotiations to be undertaken with the Papua New Guinea Government to facilitate entry into the six year concessional system, that this application is being made.
