Tenders are invited for the right to lease an area of 17.5 square metres within the sterile area in the International Departure Lounge known as part of portion 97 Port Moresby located at Jackson's Airport, Port Moresby. The lease is for an initial period of three years with an option of renewal every three years thereafter for a total period not exceeding nine years.

The purpose of the lease is for the provision of liquid refreshments and alcoholic beverages to the International Travelling Public.

Tender No. 004 previously gazetted on Notice No. 3/83 is hereby recalled as tenders for the calculation and payment of licence fees were stipulated on a dissimilar basis so that a distinct comparison between tenders could not be judiciously determined.

A revenue budget of proposed sales on existing and previous international passenger flows should be enclosed.

There are two distinct fees to tender, i.e. (1) rental fee and (2) licence fee. The rental fee, which is the rental rate per square metre per annum of the area being tendered, should be clearly defined and separate from the licence fee. When the budget has been defined, a licence fee should be determined and calculated on a flat rate per annum, i.e. lump sum amount per year.

All tenders will be submitted on the provided tenders form—“*Aerodrome (Business Concession) Act of 1978 Section 9, Reg. 4, Form 1*” which could be obtained from the Aerodrome Business Concession Section, Aerodromes Branch, Office of Civil Aviation, Konedobu.
