3. The following provision shall be made by the Enterprise for Papua New Guinea investment in, and participation in the ownership, management and control of the Enterprise:

(i) Within 12 months from the date of expiry a 25% equity in the Enterprise is to be beneficially owned by an automatic citizen or citizens of Papua New Guinea or by a local enterprise as that term is defined in Section 2 of the *National Investment and Development Act* (Chapter 120).

4. The Enterprise shall not without the prior approval of the Minister establish a place of business in any location in Papua New Guinea other than Section 5, Lot 7 and Section 46, Lot 82, Lae.

5. If the Enterprise has not at the expiration of six months from the date of registration commenced carrying on business in any of the activities for which it is hereby registered, it shall not thereafter commence such activity without the prior written consent of NIDA.

6. The Enterprise shall keep all its books of account and other financial records in Papua New Guinea in the English language.

7. The Enterprise will comply with all and any obligations and conditions relating to the training of citizens and the localisation of its staff (including both employees and officers of the Enterprise) which may from time to time be laid down by the Secretary for the Department of Labour and Employment (or any other Department which succeeds to the functions of that Department) or prescribed or declared under the *Employment of Non-Citizens Act* (Chapter 274) or any other Act in force from time to time dealing with training and localisation of staff.

8. The Enterprise shall guide and assist Papua New Guinea enterprises in activities ancillary to the registered activities.

9. The Enterprise shall use supplies and services (particularly in relation to subcontracting) available within Papua New Guinea, preferably provided by Papua New Guineans provided that such supplies and services are readily available at prices and of quantity similar to those obtainable from other sources.

10. Any application by the Enterprise to the Minister with regard to any of the foregoing conditions shall be made in writing to the Executive Director of NIDA.

The Enterprise should note that Sections 4(3) and 5 of the *National Investment and Development Authority Act* (Chapter 120) provide that NIDA registration in respect of a particular activity does not of itself relieve the Enterprise from compliance with any other law and no condition of registration confers on an enterprise any right or privilege in relation to a matter that is the subject of any other law.
