Political Parties are to nominate and endorse only one candidate for each electorate. Section 54 states that a Registered Political Party shall not endorse more than one candidate (whether male or female) in each electorate.

Endorsement here means financial and other logistical support to a candidate. The Electoral Commission and his officials are hereby advised of these Registered Political Parties and are to assist in enforcing the provisions of the Organic Law on the Integrity of Political Parties and Candidates.

This section is to certify that all the Political Parties listed here have been duly registered under section 34 of the Organic Law on the Integrity of Political Parties and Candidates and are eligible to nominate or endorse candidates for the 2007 National Elections

Given under my hand and seal, this Third day of May, 2007.
