The actual specified jobs will not be required to go out to the field for any operative procedures. They will be engaged as consultants and advisers in reviewing, analysing and evaluating highly technical documentation on required licenses and permits, and therefore they may not require engineering registration.

In accordance with the requirement of Section 51(3) I hereby grant approval of these exemptions in the interest of the nation in relation to the Liquefied Natural Gas (LNG) Project and for a good cause that these non-citizens have been exempted from all of the requirements of foreigner work permits, dated from 24th August, 2009 to 31st January, 2010.

A specified condition placed against this exemption is that the non-citizens involved are required to provide opportunities for human resource development and skills training to citizen workers in the specified jobs within the approved period.

Dated this 21st day of August, 2009.

Hon. M. MAIPAKAI, MP.,
Minister for Labour and Industrial Relations.
