- (5) A person who contravenes this regulation commits an offence.

Maximum penalty: 10,000 penalty units or imprisonment for 5 years, or both.

20 Quarantine and testing of person from COVID-19 free country or territory

- (1) In this regulation:
- “being in a COVID-19 free country or territory”* means being in only countries or territories that are COVID-19 free countries or territories;
- “COVID-19 free country or territory”* means a country or territory where there has never been a confirmed case of a person infected with COVID-19.
- (2) A person entering Solomon Islands must immediately be quarantined for the period ending 14 days from the day the person enters Solomon Islands if the person was in a COVID-19 free country or territory for the 28 day period immediately before the day on which the person began travelling to Solomon Islands.

- (3) The person must be tested for the presence of COVID-19 on a day between the twelfth and fourteen day of the quarantine period, and must test negative for COVID-19 for that test.

21 Quarantine and testing of person from COVID-19 affected country or territory

- (1) In this regulation:

“being in a COVID-19 affected country or territory” means:

- (a) being only in a COVID-19 affected country; or
- (b) being in a COVID-19 affected country and a COVID-19 free country only;

“COVID-19 affected country or territory” means a country or territory where there has been a confirmed case of a person infected with COVID-19, but the country or territory is not a high-risk COVID-19 affected country or territory;

“COVID-19 free country or territory” has the meaning given in regulation 20(1).

- (2) A person entering Solomon Islands must immediately be quarantined for the period ending 14 days from the day the person enters Solomon Islands if the person was in a COVID-19 affected country or territory for the 28 day period immediately before the day on which the person began travelling to Solomon Islands.
- (3) The person must be tested for the presence of COVID-19 on a day between the fifth and tenth day of the quarantine period and on a day between the twelfth and fourteenth day of the quarantine period, and must test negative for both tests, if:
- (a) the COVID-19 affected country or territory has not, during the 28 day period immediately before the day the person began travelling to Solomon Islands, officially reported a new case of a person infected with COVID-19; or
- (b) the COVID-19 affected country or territory has, within the 28 day period immediately before the day the person began travelling to Solomon Islands, officially reported a steady decline in the number of cases of persons infected with COVID-19 and the person was tested twice for the presence of COVID-19

within the 14 day period immediately before the day the person began travelling to Solomon Islands and tested negative for COVID-19 for both tests.

- (4) The person must be tested for the presence of COVID-19 within 48 hours of entering Solomon Islands, on a day between the fifth and tenth day of the quarantine period and on a day between the twelfth and fourteenth day of the quarantine period, and must test negative for COVID-19 for both tests, if:
- (a) the COVID-19 affected country or territory has, within the 28 day period immediately before the day the person began travelling to Solomon Islands, officially reported a steady decline in the number of cases of persons infected with COVID-19; and
 - (b) the person was not tested twice for the presence of COVID-19 within the 14 day period immediately before the day on which the person began travelling to Solomon Islands.

22 **Quarantine and testing of person from high-risk COVID-19 affected country or territory**

- (1) In this regulation:

“being in a high-risk COVID-19 affected country or territory” means being in at least one of country or territory that is a high-risk COVID-19 affected country;

“high-risk COVID-19 affected country or territory” means a COVID-19 affected country or territory where:

- (a) the daily rate of official reported cases of persons infected with COVID-19 is increasing or is consistently serious; or
 - (b) wide community transmission is being reported.
- (2) A person entering Solomon Islands who was in a high-risk COVID-19 affected country or territory during the 28 days immediately before the day on which the person began travelling to Solomon Islands must:
- (a) immediately be quarantined for the period ending 14 days from the day the person enters Solomon Islands if the person

was tested three times for the presence of COVID-19 within the 21 days immediately before the person began travelling to Solomon Islands and tested negative for COVID-19 for each test; or

- (b) immediately be quarantined for the period ending 21 days from the day the person enters Solomon Islands if the person was tested less than 3 times for the presence of COVID-19 before the person began travelling to Solomon Islands.
- (3) If the person was tested three times for the presence of COVID-19 during the 21 day period immediately before the day the person began travelling to Solomon Islands and tested negative for COVID-19 for each test, the person must be tested for the presence of COVID-19 within 48 hours of entering Solomon Islands, on a day between the fifth and tenth day of the person's quarantine period, and on a day between the twelfth and fourteenth day of the quarantine period, and must test negative for COVID-19 for each test.
 - (4) If the person was tested less than 3 times for the presence of COVID-19 during the 21 day period immediately before the person began travelling to Solomon Islands, the person must be tested for the presence of COVID-19 within 48 hours of entering Solomon Islands, on a day between the fifth and tenth day of the person's quarantine period, on a day between the twelfth and fourteenth day of the person's quarantine period and on a day between the nineteenth and twenty-first day of the person's quarantine period, and must test negative for COVID-19 for each test.

23 Testing of person presenting with COVID-19 symptoms

- (1) A person must be tested for the presence of COVID-19 as soon as practicable after an authorised officer who is a medical officer or a medical practitioner identifies, by examination of the person, that the person is presenting with symptoms relating to the presence of COVID-19.
- (2) To avoid doubt, if a person is a quarantined person, the testing under this regulation is in addition to the testing required under regulations 20 to 22.
- (3) In determining whether a quarantined person should be tested under this regulation, the medical officer or medical practitioner must take the following into account:

- (a) the COVID-19 status of the countries, and the places in the countries, where the person has been during the 2 month period immediately before the person began travelling to Solomon Islands;
 - (b) the number of tests for the presence of COVID-19 the person had before travelling to Solomon Islands and the results of those tests;
 - (c) the number of tests the person has had while in quarantine and the results of those tests;
 - (d) how the person presents, including whether the person is presenting with symptoms relating to COVID-19 and the acuteness of those symptoms;
 - (e) a risk assessment of the possibility that the person is infected with COVID-19.
- (4) A person commits an offence if the person:
- (a) is identified by examination by an authorised officer who is a medical officer or medical practitioner to be presenting symptoms relating to the presence of COVID-19; and
 - b) refuses or fails to be tested for the presence of COVID-19 as soon as practicable after being so identified.

Maximum penalty: 10,000 penalty units or imprisonment for 5 years, or both.

- (2) A public officer who does not comply with subregulation (1) must be terminated with immediate effect.

Part 7 Repeal and savings provisions

33 Definitions

In this Part:

“commencement” means the commencement of these Regulations;

“decision or action taken under the repealed Regulations” includes a decision or action taken under an Order made under the repealed Regulations;

“repealed Regulations” means the Regulations repealed under regulation 34.

34 Repeal

The Emergency Powers (COVID-19)(No. 2) Regulations 2020 (Legal Notice No. 47 of 2020) are repealed.

35 Savings provisions

On the commencement:

- (a) each Order made or continued in force under the repealed Regulations:
 - (i) continues in force as if it were an Order made under these Regulations; and
 - (ii) has effect in accordance with and subject to these Regulations; and
- (b) an authorised officer holding office under the repealed Regulations immediately before the commencement continues to hold office under and subject to these Regulations; and
- (c) a decision or action made, taken or continued in effect under the repealed Regulations continues to have effect under these Regulations as if it were a decision or action made or taken in accordance with and subject to these Regulations.

36 References to repealed provisions

If these Regulations repeal and re-make (with or without modification) a provision of the repealed Regulations, on the commencement a reference in a law or document to the repealed provision is a reference to the provision in these Regulations that corresponds to the repealed provision.

MADE AT HONIARA this 24th day of July, 2020.

SIR DAVID VUNAGI
GOVERNOR-GENERAL
