Part 1 – Preliminary

- Citation 1. This Ordinance may be cited as the Guadalcanal Provincial Government Financial Management Ordinance 2008.
- Commencement 2. This Ordinance shall come into effect when assented to by the Minister in accordance with Section 30 of the Provincial Government Act 1997 and shall apply to all financial transactions and business of Guadalcanal Provincial and administrative units and to the management of all public monies and public property of the Guadalcanal Provincial Government.
3. (1) This Ordinance applies to all financial transactions and business of Guadalcanal Province and administrative units and to the management of all public monies and public property of the Guadalcanal Provincial Government.
- (2) For the purpose of ensuring compliance with the provisions of subsection (1) the Provincial Executive shall issue written instructions, to be called Financial Instructions and Stores Instructions, for the better carrying out of the provisions and purposes of this Ordinance.
- (3) If this Ordinance conflicts with any law of the Solomon Islands, then the law of the Solomon Islands must be followed and not this Ordinance. Any person becoming aware of such a conflict will immediately notify the Provincial Secretary and Minister responsible for Provincial Government in writing.
- (4) This Ordinance cannot prevent the law of the Solomon Islands from being applied.
- (5) Where there is a conflict between this Ordinance and any earlier Financial Management Ordinance, Instructions or circular, this Ordinance shall prevail.
- Accounting Officer - Overall Responsibility for Control of Funds on a Daily Basis 4. (1) Subject to Section 36 of the Provincial Government Act 1997, this ordinance expressly appoints the Provincial Secretary as the Provincial Accounting Officer and the Provincial Treasurer as his or her deputy in that regard.
- (2) The Provincial Secretary has the overall responsibility to control and account for all funds received and paid by the Province on a daily basis and to report and account to the Provincial Executive, Provincial Assembly, the Auditor-General and the MPG as required.

- Authority for Expenditure 11. (1) No Appropriation Ordinance has effect until it is passed by the Provincial Assembly and consented to by the Minister responsible for Provincial Governments (MPG).
- (2) No payment from Provincial funds will be made unless authority has been given by either approval of the Annual or Supplementary estimates.
- (3) The authority to incur expenditure is vested in the Provincial Assembly and the Accounting Officer shall not make any payment nor accept any charge in his or her accounts, whether provided for in the estimates or not unless authorised to do so by a General or other Warrant issued under Section 36 of the Provincial Government Act.
- (4) All disbursements of Provincial money shall be made under authority of the Provincial Executive by the Accounting Officer either personally or by a provincial employee acting on his or her instructions or written delegation.
- (5) Expenditure from the Provincial Fund shall not be issued or committed except under the authority of a duly completed and authorised warrant.
- (6) Where provision has been made in the estimates but authority to incur expenditure has been excluded from the Warrant specific authority must be obtained before expenditure may be incurred.
- Approved Estimates 12. The estimates contained in the Appropriation Ordinance shall be known as the approved estimates of revenue and expenditure for the financial year.
13. (1) The Provincial Executive may delegate to a committee power to authorise expenditure in accordance with approved estimates to such limits and on such services as may be specified.
- (2) No delegation of responsibility may exceed 50% of the total amount for that activity as specified in the approved estimate.

- | | | |
|-----|--|----------------------------------|
| 14. | Even though an amount appears in the estimates and has been approved by the General Warrant the Accounting Officer must use Provincial monies prudently and effectively and should not fully spend an appropriation if this is not necessary. The Accounting Officer may not in any case incur budgeted expenditure unless there is finance available. | Wise and Effective use of Funds |
| 15. | All expenditure will be allocated strictly in accordance with the account codes shown in the approved estimates. | Allocation of Expenditure |
| 16. | Money should not be spent unless the approving provincial employee is satisfied that the expenditure is necessary and the subject or purpose of the expenditure can not be achieved by some other more economical or efficient means. | Necessity for Economy |
| 17. | The actual date of payment must be the one recorded in the accounts. Expenditure properly chargeable in any financial year must be accounted for within the financial year. | Recording Date of Payment |
| 18. | All provincial employees are required to ensure that all expenditure incurred and chargeable against account codes of the year are as far as possible paid within the financial year to which it is properly chargeable. | Settlement within Financial Year |

Part IV – Management and Reallocation of Funds

- | | | |
|-----|--|---|
| 19. | The Provincial Treasurer will undertake a monthly review of expenditure and provide the review to the Provincial Secretary. The Provincial Secretary will provide the review to the Provincial Executive. The Provincial Secretary will submit each review to be presented to the Provincial Executive for its consideration, together with his or her own comments on the month under review. | Monthly Reporting of Expenditure |
| 20. | Subject to this part, supplementary approval is required from the Provincial Assembly for:
(a) All payments on account of functions or services for which provision is not made in the estimates; and
(b) All payments in excess of the amounts provided for in the estimates. | Supplementary Approval and Estimate |
| 21. | All requests for supplementary approval must be submitted to the Provincial Assembly via the Provincial Executive and be supported by a Supplementary Estimate showing for each expenditure account code involved:
(a) Original estimate;
(b) Amount spent to date;
(c) Amount of the recommended payment giving rise to the supplementary approval request;
(d) Total supplementary estimate required for the financial year; and
(e) Method of financing the supplementary estimate (e.g. estimate transfer between account codes, increased charges and so on). Where an estimate transfer is proposed details of the estimate and anticipated underspend on the account code from which the transfer is to be made must be given. | Supplementary Approvals – Report Requirements |
| 22. | No supplementary expenditure may be committed until approval is obtained from the Provincial Assembly. | No Supplementary Expenditure Without Prior Approval |

- Amendment to Budget Allocations From Supplementary Approval 23. If a supplementary estimate is financed by a budget transfer from another account code, the reduction of such account code must be reflected in the estimates and expenditure controlled to the reduced figure.
- Estimate Transfer - Between Divisions and Development Projects of Greater than 10% or to a New Service Within a Division 24. Where it appears to the Provincial Executive to be in the public interest to increase:
- (a) By greater than 10% the amount allocated to a particular Division of the Province; or
 - (b) By greater than 10% the amount allocated to a development project; or to
 - (c) Allocate funds for the provision of new services within a division.

the Executive may, by an order in writing, reallocate funds by a corresponding reduction of the funds allocated to another division or development project; provided that –

- (a) The total funds appropriated to the affected divisions are not exceeded; and
- (b) The total funds appropriated to all development projects are not exceeded; and
- (c) The scope of any new service provided falls within the scope of the division concerned; and
- (d) The relevant order is laid before the Assembly at its next meeting and may be subject to a negative resolution.

- Estimate Transfer - Between Divisions and Development Projects of Less Than 10% 25. Where it appears to the Provincial Executive to be in the public interest to increase:
- (a) By less than 10% the amount allocated to a particular Division of the Province; or
 - (b) By less than 10% the amount allocated to a development project.

the Executive may, by written resolution, reallocate funds by a corresponding reduction of the funds allocated to another division or development project; provided that –

- (a) The total funds appropriated to the affected divisions are not exceeded; and
- (b) The total funds appropriated to all development projects are not exceeded.

- Estimate Transfer - Between Account Codes in the Same Division 26. Where it appears to the Accounting Officer to be in the public interest to increase the amount allocated to individual account codes within a Division.

The Accounting Officer may, by warrant under the Premier's and Accounting Officer's own hands, reallocate funds by a corresponding reduction of the funds allocated to another account code, within the same Division, provided that –

- (a) The total funds appropriated to applicable account codes are not exceeded; and
- (b) The total funds reallocated do not exceed 10% of the affected account codes approved estimate amounts.

Part V – Use of Funds before Appropriation Ordinance
