REGISTRAR OF COMPANIES

Auditors' Report to the Members

As mentioned in Note 17, the liability of a subsidiary for future fire brigade contributions in accordance with the New South Wales Fire Brigades Act, 1909, as amended, is uncertain. On 19th September, subsequent to the date on which the accounts were approved and signed by the directors, the appeal judgement found that an insurer ceasing business has a liability, if assessed, for fire brigade contributions. As a result of this decision, it appears, in our opinion, that the accounting policy described in Note 1(g) may be inappropriate and a provision for fire brigade contributions based on the previous year's premium income may be required for an amount up to \$4,500,000 as described in Note 17 as a contingent liability. Negotiations on changes to legislation are currently taking place between the insurance industry and the statutory bodies concerned. Should these negotiations be successful, no additional provision would be required.

In our opinion, subject to the outcome of the negotiations referred to above —

- (a) the accounts and group accounts, including the statement of source and application of funds, set out on pages 18 to 30 which have been prepared under the historical cost convention stated in Note 1(a) together with the statement by directors are properly drawn up in accordance with the provisions of the Companies Act 1981, and so as to give a true and fair view of:
 - (i) the state of affairs of the company and of the group as at 30th June, 1983 and of the results of the company and of the group for the year ended on that date so far as they concern members of the holding company; and
 - (ii) the other matters required by Section 269 of that Act to be dealt with in the accounts and in the group accounts.
- (b) the accounting records and other records, and the registers required by that Act to be kept by the company and by those subsidiaries of which we are the auditors have been properly kept in accordance with the provisions of that Act or, in the case of the subsidiaries incorporated in the other States of the Commonwealth, and of which we are the auditors, in accordance with the provisions of the corresponding laws of the other States.

The subsidiaries of which other member firms of Coopers & Lybrand (International) have acted as auditors are —

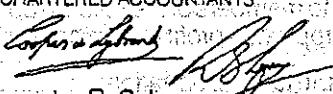

Queensland Insurance (Fiji) Limited	QBE Supreme Insurance Berhad
QBE (PNG) Pty. Limited	Victoria Arcade Limited
Queensland Insurance (P.N.G.) Limited	QBE Supreme Equities Sdn. Bhd.

and we have examined those subsidiaries' accounts and the auditors' reports thereon.

We are satisfied that the accounts of the subsidiaries that have been consolidated with other accounts are in form and content appropriate and proper for the purposes of the preparation of the consolidated accounts and we have received satisfactory information and explanations required by us for that purpose.

Except as described above, no auditors' report on the accounts of any of the subsidiaries was made subject to any qualification, or included any comment made under sub-section (4) of Section 285 of that Act.
