 - (b) if dispensation is granted, require the applicant to operate under a standard or guideline relating to the allied health profession approved by the Council or prescribed by regulations.

14. Who may and how to apply - (1) A person qualified under section 13 may apply for registration to the Council, in the approved form.

- (2) The approved form must include the following:
 - (a) requirements under section 13(1) in respect of any or all the allied health professions applied for;
 - (b) the records, including the courses, of formal academic qualifications;
 - (c) records of experience, training or skills, including continuing education;
 - (d) evidence of registration in another country as an allied health professional;
 - (e) evidence of any disciplinary action in Samoa or elsewhere against the applicant as an allied health professional or any other health profession;
 - (f) any other prescribed matter.
- (3) The applicant must provide the following evidence of qualification, skills, training and experience:
 - (a) the original or a certified copy of academic qualification;
 - (b) certified copy of academic records;
 - (c) certified copy of documents on experience, skill or training;
 - (d) reference from at least 2 persons on the experience, skills and conduct of the applicant;
 - (e) any other prescribed document.
- (4) The Council may require the applicant to provide additional information to support the application.
- (5) The applicant must ensure that the requirements for registration under this Division are provided with the application.

(6) A registrant who becomes qualified in another allied health profession must apply in the approved form (accompanied by a certified copy of the qualification) to the Council to amend his or her registration and practising certificate to include the new qualification.

15. Processing of applications - (1) The applicant must lodge the application with the Registrar.

(2) When an application is lodged, the Registrar must examine the application to ensure that it contains all the requirements for registration.

(3) If the application does not comply with any requirement for registration, the Registrar must request the applicant to comply with the requirement.

(4) When the Registrar is satisfied that the requirements for registration are met, the Registrar must inform the Secretary to convene a meeting of the Council.

16. Consideration of applications - (1) When considering an application, the Council may:

(a) defer the decision on or refuse the application if the application does not contain all information required for registration; or

(b) require the applicant to personally appear before it to verify information on the application; or

(c) require another person to verify, in any manner it thinks fit, any information on the application; or

(d) require the applicant or any other person to verify information on the application on oath or in any other manner as it thinks fit; or

(e) require the applicant or any other person to provide any additional information on the applicant or the application.

(2) The chairperson of the Council may administer oath for the purpose of this Part.

(3) If the Council refuses to grant the application, it must give reasons for refusing the application.

17. Recording of registration - (1) When a decision to grant or to refuse to grant the application is made by the Council, the Secretary must send a copy of the decision to the Registrar.

- (2) The Registrar must:
 - (a) inform the applicant about the decision; and
 - (b) for a decision to grant the application, record all the information about the applicant in the register.

18. Certificate of registration - (1) The Registrar must issue a certificate of registration in the approved form, subject to payment by the applicant of the registration certificate fee.

- (2) A certificate of registration:
