33. Objections to amount of excise duty or drawback –(1)

Subject to section 38, a person may object to the amount of excise duty ("the duty") imposed on his or her goods by the Comptroller or the amount of drawback ("the drawback") calculated to be due to him or her by the Comptroller by delivering or posting to the Comptroller a written notice of objection stating shortly the grounds of his or her objection so that it reaches the Comptroller

not later than 1 month after the date on which notification of the amount of the duty or the drawback as the case may be is given.

(2) No notice of objection given after the time specified in subsection (1) is to be of any force or effect unless the Comptroller in his or her discretion accepts the same and gives notice to the objector accordingly.

34. Comptroller to consider objections – (1) The Comptroller shall consider the objection and either disallow or allow it wholly or in part and where appropriate amend the duty or the drawback to conform with his or her determination.

(2) Following determination of the objection the Comptroller shall cause notice thereof to be given to the objector.

35. Objection may be submitted to Supreme Court – (1) If the objector is dissatisfied with the determination by the Comptroller (under section 34) of an objection under section 33, he or she may within 2 months after the date on which notice of the determination is given, by notice in writing to the Comptroller require the Comptroller to state a case for the opinion of the Supreme Court.

(2) The Comptroller shall thereupon state a case accordingly setting forth the facts as alleged by the Comptroller, the connections of the parties and the question to be decided, and shall file it in the Supreme Court. The Comptroller may file an amended case. A copy of the case and any amended case is to be served on the objector.

(3) Within 1 month after the copy of the case is served on the objector, or within such further time as the Comptroller or the Supreme Court may allow, the objector may, if he or she thinks fit, file an answer to the case, setting forth the facts as alleged by the objector. The objector shall serve a copy of the answer on the Comptroller.

(4) Neither the case as stated and filed by the Comptroller nor any answer filed by the objector is conclusive as to the matters set forth therein, either against the objector or the Comptroller, except so far as agreed to in writing by or on behalf of the Comptroller and the objector.

(5) On the hearing and determination of the objection the objector is limited to the grounds stated in the objection, and the

18 *Excise Tax (Domestic Administration) Act 1984*

burden of proof is on the objector who is liable to pay the duty as imposed save insofar as he or she establishes the duty is incorrect.

(6) The Court may receive such evidence as in its opinion may assist it to deal effectually with the proceedings before it, whether or not the same would be otherwise admissible in a Court of Law.

(7) Subject to subsections (5) and (6), the procedure at the hearing before the Supreme Court of any such case stated shall be the same, with the necessary modifications, as if the case were an action in which the objector is the plaintiff and the Comptroller is the defendant.

(8) On hearing any such case stated, the Court may confirm or cancel or vary the duty or the drawback or reduce or increase the amount thereof and the duty or the drawback is altered by the Comptroller accordingly.

36. Obligations to pay duty not suspended by objection –
