“Samoa” means the Independent State of Samoa.

3. Act binds State – This Act binds the State.

PART 2 OATHS AND AFFIRMATION

4. Evidence to be an oath or affirmation – Subject to this or any other enactment, the evidence of all witnesses in any proceeding is to be given on oath or affirmation.

5. Power to administer oaths or take affirmations – A Court and a person acting judicially shall cause an oath to be administered to, or take an affirmation from, a witness in any proceeding at the commencement of his or her evidence, and may, in the case of an adjournment or recess of the proceeding, do likewise at the resumption of his or her evidence.

6. Form in which oaths may be administered and taken – An oath may be administered and taken, in all places and for all purposes where an oath is required by law, in any of the following ways:

- (a) the person taking the oath may, while holding in his or her hand a copy of the Bible, Old Testament, or New Testament, and in a Court or in the presence of a person authorised to administer oaths, repeat the words of the oath as prescribed or allowed by law; or
- (b) the person administering the oath may repeat the appropriate form of adjuration, commencing with the words “*Do you swear by Almighty God that*” or the words to the like effect, and concluding with the balance of the words of the oath as prescribed or allowed by law, and the person taking the oath shall thereupon while holding in

his or her hand a copy of the Bible, Old Testament or New Testament, indicate his or her assent to the oath so administered by saying “*I do*”, or words to the like effect; or

- (c) the oath may be administered and taken in any other manner which the person taking it shall require and shall declare to be binding on him or her.

7. Mode of administration if not objected to – In all proceedings the person administering the oath shall, unless the person about to take the oath voluntarily objects thereto, administer the oath in the form and manner set out in section 6(b), but no oath is deemed illegal or invalid by reason of a breach of this section.

8. Form of oath – An oath is to be taken in the form prescribed in the First Schedule, or to the like effect.

9. Affirmation instead of oath – (1) A person is entitled as of right to make an affirmation, instead of taking an oath in all places and for all purposes where an oath is required by law, and every such affirmation is of the same force and effect as an oath.

(2) An affirmation shall commence with the words: “*I do solemnly, sincerely, and truly declare and affirm*”, or words to the like effect, and shall then proceed with the words of the oath as prescribed or allowed by law, omitting any words of imprecation or calling to witness.

10. Evidence of children without oath – All witnesses who are or appear to be under the age of 12 years may in any proceeding be examined without oath; but any such witness is required, before being examined, to make the following declaration: “*I promise to speak the truth, the whole truth, and nothing but the truth*”, or a declaration to the like effect; and such declaration is of the same force and effect as if the witness had taken an oath.

11. Absence of religious belief – When an oath has been duly taken in a proceeding, the absence of any religious belief

does not affect the validity of the oath for the purposes of that proceeding.

12. Repeal – Part I (sections 3 to 8), of the Evidence Ordinance 1961 is repealed.

(4) An affidavit shall be divided into paragraphs numbered consecutively, and each paragraph shall, as nearly as may be, be confined to a distinct portion of the subject.

(7) The place and date of swearing the affidavit shall be stated in the jurat.
